Braddock and Terry Beat It Out.

This year many momentous events came to pass at Darlington. Starting off the year Darlington has come to its golden anniversary. The school has developed from a small one building day school into a day and dormitory school worth over a million dollars. Two of the more recent additions to the school have been the completion of South Hall and a new Gym. Darlington has grown from a small, local, preparatory school to a day and boarding school of 380 students. It is recognized in this country and abroad as one of the leading preparatory schools for boys.

Victory hungry Tigers, paced by Sim Fulcher, romped all over a dazed G.M.A. eleven. Tired of defeats the Lakesiders started making up for lost time. Fulcher scored two touchdowns, intercepted two passes, and sparkled defensively. He scored from the 16 and 18 yard lines and returned pass interceptions 40 and 20 yards. Both T.D.'s came on end-around plays. Yarbrough converted three of five extra-points.

Moore and McGee Socialize.

You can always tell when Saturday night rolls around. Just go down to the school store, and you will find nobody there except those boys who were in penalty study hall Monday.

Mrs. Yankee and Mrs. Merson with a few helpers sell sweets and drinks that always give our complexions that extra little boost that helps the "shafts" along. But if it was not for the store we could not get those razor blades nobody ever uses.

An alert Tiger team, scoring from recovered fumbles, defeated T.M.I. 32-0 in a conference game played on the "Lakeside" field. This was one of the few games that the team could get working smoothly from the start.

The Darlington "movers" were Vernon, Scott, Griffen, Shear, and Little; with Pesterfield and Yarbrough making the placements. Many of the players in the last few minutes were members of the Junior Varsity who had been elevated to the "Big Tigers."

Dr. Wright and "The Night Before Christmas."

Each year, the students of Darlington elect their officers and representatives by vote of the student body. A morning in assembly is designated and ballots are given out to each student present. Students vote only on the officers of their particular classes. A president, vice-president and honor council representatives are chosen individually by the Senior, Junior, Sophomore, Freshman classes and collectively by the Lower Forms. The ballots are collected, the votes counted and the results are then announced. Because of the large number, it is impossible to list the names of this year's officers, but the Annual Staff wishes to offer its congratulations to those who are doing such a good job at their various duties.

The Darlington Glee Club, although somewhat smaller in number than in previous years, shows excellent promise. This group has presented varied and enjoyable programs.

After some hard work and training by Mr. Moser, the group is preparing to begin its concert tour in the Spring. They give performances in the churches of Rome, Atlanta, Chattanooga, and Columbus. There are many thanks due to these boys who have given their free period to the director, Mr. Worth S. Moser, and the accompanist, Mrs. Charlotte McManamon.

The Glee Club Entertains at Patrons' Reception.

This year's "D" Club is one of the largest we have ever had. More boys participated in varsity athletics and have been good enough to earn letters than any other group that has been here. All boys who are planning to join the "D" Club, should watch the initiation, and see our athletes do the "Can-Can" and have those much-envied egg battles before deciding to enter the festivities of the next year. There is one consolation, if you are not a senior, you can have your fun the next go-around.

You slow the car down as you near the turn-off at the gate. You look at your watch and see that it is a few minutes after eleven. "Late — as usual." You are suddenly blinded by a beam of light. Reverse brings you back around to where you first slowed down. You say "goodnight" . . . and head back to the smiling face of the teacher-on-duty. He holds up three or five fingers, depending upon what his mood happens to be. You trudge to bed.

Messrs. Gaspar and Judd on Picture Day.

Everybody seems to like the new class schedule. Starting Assembly at 8:50 is a big change from the 8:30 of years before. Mr. Moser is leading the assemblies this year, and has given us many interesting programs. There is only one change that will never take place here, and that is those famous words: "Let's every man sit up, please."

This year Dr. C. R. Wilcox retired as active president of Darlington. He has served as president for 33 years and is still very active in the school, teaching his Math classes. Named president-emeritus, and member of the Board of Trustees, Dr. Wilcox was succeeded by Dr. E. L. Wright, who has been our headmaster for 34 years. We offer thanks to Dr. Wilcox and congratulations to Dr. Wright.

Cooch Sammons Awards Letters.

For the second time in three years the Lakesiders and Castle Heights fought a no-decision count. Both came at homecoming games on the Tennessee field. The other was a 20-20 affair. Heights is the defending champion of the Mid-South Conference.

Bob Griffin kept the Cadets backed up well in the first half with four punts averaging over 50 yards. But one late in the second quarter was blocked, and set up a Cadet score. The half ended 7-all.

With the score tied 14-all, the Tigers tried desperately to pull the game out of the fire in the final period. But the clock ran out and the game ended 14-14.

Darlington was host at a reception honoring parents of boarding students who attended the homecoming festivities at Thanksgiving. The reception was held in the gymnasium the evening of November 24. The building was attractively decorated, and delicious refreshments were served.

Dr. Wright spoke briefly to the gathering, welcoming them to the school. The student's PEP band and chorus provided entertainment during the evening. The chorus under Mr. Moser's direction, presented "Now We All Thank Our God," "By the Waters of Babylon," "Men of Harleck," and closed with our Alma Mater.

This year the Seniors on third floor Main Building have received new single beds and new desks. They have added greatly to the rooms. It is the plan of the school so to equip every room in the coming years, starting with the Junior Hall next year and on down to South Hall.

Presenting a rugged defense that allowed Notre Dame only 21 yards on the ground, and then countering with a well-oiled offense, the Darlington Tigers hit their peak on this game. The "Irish" put together one drive, including a 40 yard pass, and took advantage of a "Tiger" fumble to score their two touchdowns. A defense led by guard Roy Swancy and center Skip Thornton collared the "Irish" for a minus two yards the last half.

The "Sr. Math" Struggle.

After many long years of careful observation of the highway, someone has broken down and put a traffic light just outside the main gate. Still we must be careful as we finish crossing the axle-breaking speed bumps and nose the car out on the open road.

The basketball team has much promise this year. Although there is only one returning "cager" from last year's squad, the new and "B" Team boys ought to have an impressive record at the end of the year.

The shortest man on the team is Jim Kelly, and the tallest is David Jones (6 feet 5 inches). With the height and ability of the team, we will probably have a good contender for the Mid-South Championship.

Elaborate decorations, good music, and beautiful girls. These are the things that go into making up our informal and formal dances.

Walter Brown and his Social Committee chose for the queen of the Christmas Formal Miss Julia McWhorter of Rome.

The annual Spring Formal planned for March 12th has us in "Tuxs" and filling out no-breaks again, but everybody agrees the dances are worth it.

The Darlington Rifle Club is chartered by the National Rifle Association which is recognized by the Federal Government as one of the principal agencies for training American citizens in small arms marksmanship.

The Rifle program is aimed at developing

those qualities of sportsmanship, self control, and cooperation so necessary in later life. The rules of the club call for adult supervision of all shooting activities, the enforcement of definite regulations, development of interest in individual and team contests, and, above all else, training in safe handling of firearms.

DEBATING CLUB

The forum is a very recent organization at Darlington. It meets every Sunday night at 8:30 with its faculty advisor of this year, Mr. Merson. Their programs vary from discussion groups to formal debates.

Tiger Tales is the new Lower Forms publication. Since the Darlingtonian pertains more to the high school students, Mr. Merson established the paper primarily for the younger boys.

Tiger Tales is a big success, and we hope this paper will be a permanent addition to the school's publications.

Did he get out of this?

The Tigers lost a real heartbreaker to McCallie. Darlington threw up a defense that stopped McCallie right in their tracks. But using the outlawed "sleeper play" McCallie managed to score six points and win the game, 6-0.

Presenting a rugged defense that allowed Notre Dame only 21 net yards on the ground, and countering with a well-oiled offense, the Darlington Tigers hit their peak as they hung a second decision of 21-13 on the home field.

Thanksgiving Day wound up the football season in a real thriller on Barron Field in

Rome. Caught napping so early in the game that the spectators were hardly settled in their seats, the Tigers trailed by 12 points until nearly the end. In the closing two minutes Griffen, Pence, Fulcher, and Scott combined a drive both in the air and on the ground to get to the Cadet 7 yard line, only to have the final gun sound. So it was C.M.A., 19-13.

Darlington fought grimly to tie Castle Heights, the Mid-South Conference defending champions, 14-14, at Lebanon, Tennessee. This was the second time in three years the Lakesiders and the Cadets have ended up with a tie.

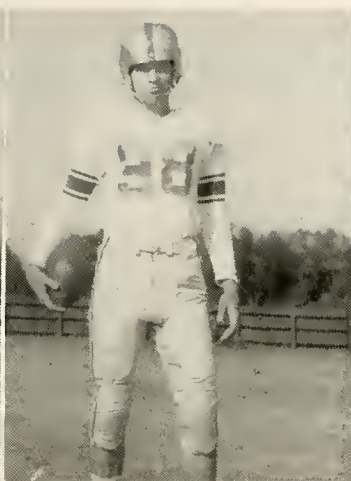

A vastly improved and powerful Darlington eleven rolled over Georgia Military Academy 33-0. Paced by Sim Fulcher and George Scott, the Tigers scored in every period, over the dazed G.M.A. eleven.

The high-flying Tigers chalked up their third straight victory by smashing the T.M.I. Cadets 32-0 on the Lakeside field. An alert Tiger team made great use of recovered fumbles.

The Dorlington Tigers ended their 1954 season with a chalk up of three wins, four lost, and one tie.

Congratulations to the team and Coach Sammons for the fine record they have made.

How many does it take to drag him down?

Coach Mac explains . . .

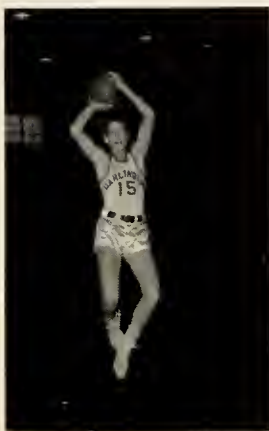

The Darlington Tigers journeyed to Chattanooga for the third time in three years to play in the annual "Times Cup Tournament." Darlington was the only out-of-town team to compete in this year's tournament. Since we had won it the two years we have been, they asked us back to defend our title.

Going into the tournament, the Tigers were rated No. 1, but drawing McCallie, another powerful contender, we were upset by the score of 48-59.

The Tiger Baseballers roared to a Mid-South Championship last year, in winning eight and losing one conference contest. Their only defeat was the first game of the season, when they fell before Baylor's Graham, 3-1.

With righthander Tommy Williams, the most effective hurler in the league, doing a masterful job and four Tigers posting batting averages over .300, the club swept through the next eight opponents in order.

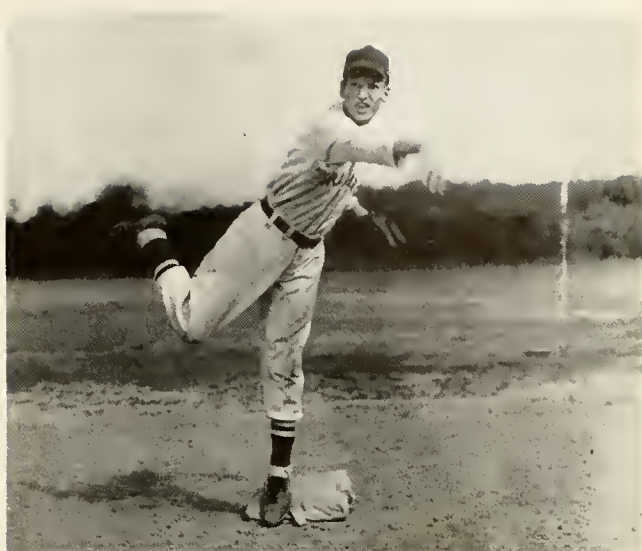

Williams posted a five-one record while striking out sixty-six Mid-South batters and establishing an E.R.A. of 1.58. His best effort was against T.M.I.—sixteen Cadets heard "strike three" that day. He pitched shut-outs against T.M.I., McCallie, and Baylor and was selected on the all Mid-South Team.

Rightfielder Bobby Johnson hit .371 and was the clutch man of the club; his bat and glove signed the fate of Baylor, McCallie, and T.M.I. in close contests. Bobby also was an All-Star selection.

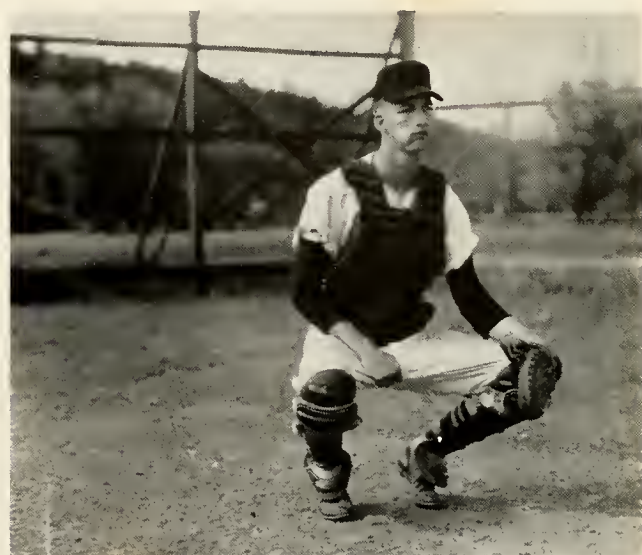

Shortstop Capt. Cliff Shepherd led the league in hitting with .448. Shepherd was a dependable player and gave the club "down the middle strength." He struck out only once during the season.

"Hound Dog" Williams, first base, and catcher Tom West completed the "over .300 club," hitting .358 and .350 respectively.

Jim Fleming, third base, and Jim Kelly, second base, completed the starting unit that gathered in the Mid-South Trophy.

Kelly "heaves" to first.

GOLF

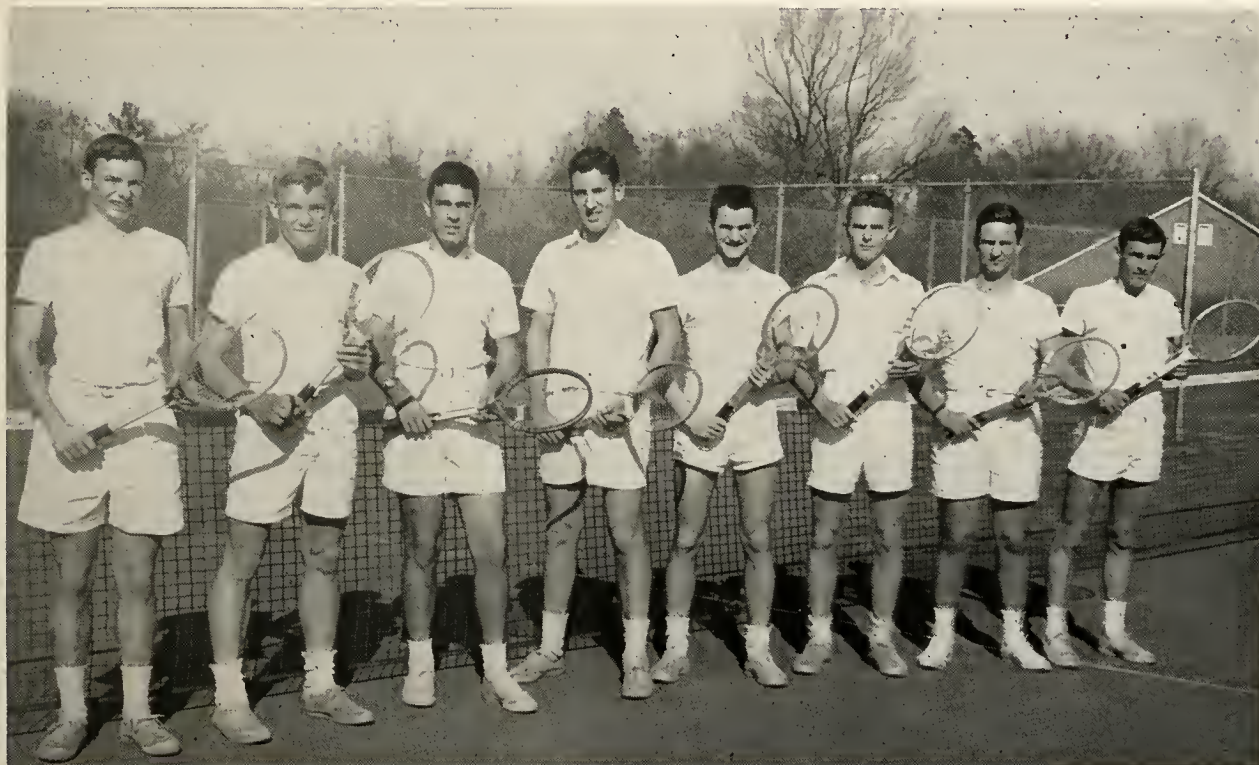

Coach Moser's talented golfers finished their season of play unbeaten for the first time in their history. In the Mid-South Tournament, the Tigers finished a close second to Baylor, whom the Lakesiders had beaten twice previously. Charles Dudley brightened things up by winning the Mid-South Individual championship.

LOOKING AHEAD . . .

. . . has always been a basic philosophy of Burlington Mills' operations.

As the world's largest producer of fabrics from man-made fibres, Burlington has need for hundreds of different skills to manufacture and sell many highly diversified products.

Recognizing personnel as its greatest asset, Burlington is always looking for young people with competence and character to train for positions of responsibility.

To The greatest ROOMIE A guy could HAVE:

Russ I want you to know that I've really enjoyed rooming with you this year and I'm looking forward to seeing you this summer. If you don't come to Chattanooga, I'll never forgive you. I'll help you paint Winder if you'll help me paint the old home front. I'm really glad that you've become interested in the greatest sport of them all, Spear Fishing. Stick to it, you've got what it takes to be good at it. If I have the misfortune of not returning next year, we can always look back on my trips to Chattanooga and yours to the "Deep Blue". I wish we could have spend some more nights in the deep, dark dangers of the hills. You keep killing the rabbits etc. and I'll keep killing the girls. After all, you know I didn't get but two SHAFES this year. That's a pretty good record for me. Oh well, that's life. In all serious though, you've been a great roommate and a terrific friend. Stay as you are and you'll always be popular.

Keep a limber
timber and don't let
you're meat loaf.

From a guy who'll never forget you,
